

# MD. SALMAN RAHMAN

## Web Developer

I am a dedicated and results-driven professional with a strong passion for the technical industry. I have successfully completed my BSc in Computer Science and Engineering from Sonargaon University. I possess strong programming expertise with the ability to design, develop, and optimize efficient web-based solutions. I am seeking a full-time position where I can leverage my technical knowledge, contribute to organizational objectives, and continuously enhance my professional growth.
